NEXA CAPITAL ANNOUNCES LANDMARK GLOBAL INDUSTRY STUDY: **Air Traffic Infrastructure Global Markets 2012**

Highlights:

- *Forecasts over \$100 billion in ground-based, aircraft-based and space-based CNS/ATM equipment, systems and services in the next 10 years.*
- *Sixty of the world's largest economies were analyzed in depth.*
- ***ATI Global Markets 2012** is a multi-client study supported by 10 aerospace companies and organizations as Charter Subscribers.*
- *After short embargo period, **ATI Global Markets 2012** in its entirety will be available to new subscribers.*

Washington DC, November 26, 2012. NEXA Advisors, a NEXA Capital company, is pleased to announce the completion of a landmark study, ***Air Traffic Infrastructure Global Markets 2012***. Key topics include: the inflection point facing world ATI markets, the new economics of ATI (including infrastructure finance), disruptive and rapidly emerging technologies challenging NEXTGEN and SESAR, the airline business case, as well as ATI modernization programs across the top 60 countries globally. ATI Global Markets is an essential tool for sales departments across the aerospace supply chain.

About NEXA Capital Partners, LLC.

NEXA Capital Partners provides corporate and strategic financial advisory services, and capital investment, to the aerospace, transportation, logistics and homeland security sectors. We work with outstanding companies and management teams currently positioned to benefit from emerging factors driving sector transformation.

NEXA Capital Partners and its Managing Partners Michael J. Dymont and Russell G. Chew are the driving force behind major NextGen and SESAR investment initiatives, including the NextGen Equipage Fund (www.nextgenfund.com) and the Aireon space-based ADS-B network (www.aireon.com).

NEXA professionals work every day with leading aerospace players to dramatically accelerate growth in enterprise value, bringing to the table proven expertise, industry-wide relationships, capital investment, and the power of industrial partnerships and alliances.

About NEXA Advisors, LLC.
